

Title I Everett Public Schools

As the Everett Public Schools Title 1 Parent Liaison, I would like to take this opportunity to invite you to become a member of the Title One Parent Advisory Council. The council consists of parents who are interested in being more involved in their child's school. The purpose of these meetings are to discuss current topics that impact our children's education, planning educational school programs, workshops and parent educational trainings. The goal is to increase parental and community involvement in the Everett Public Schools.

The committee meets 3 times a year, please join us to share ideas and news from your school with other council members. We appreciate your time and effort of volunteering to serve on the Title I council.

Research over decades confirms that parent involvement is a critical element of successful schools and high student achievement.

Sincerely,

Tammy LaRosa
