

**JUNE
2019**

The Eliot Family Resource Center (FRCs) is part of a statewide network of community based providers offering multicultural parenting programs, support groups, early childhood services, referrals, and resources in the community for families whose children range in age from birth to 18 years of age. In addition to connecting families with community agencies we support them in the process explaining services and application process. All of our services are FREE and open to families from Everett, Malden, Medford, Chelsea, Revere, Melrose, Somerville, and other nearby communities regardless of their income or immigration status.
