Administration Building

Michelle Rooney
Title 1 Coordinator

Dear Parents and Guardians,

With the end of the school year quickly upon us, it's a welcome time for students to begin to think about outdoor activities, fun and relaxation. However, the break from academics can sometimes cause a lapse in learning when students return to school in the fall. We do not want any student to fall behind.

In the past, we have assigned both Summer Reading and Mathematics Packets. This year, we will be providing each child with his and her own book that incorporates both English and Mathematics practice exercises at your child's own grade level.

Title One is providing students with a Summer Express Weekly Reader: Which will give your child a head start on new skills and reinforce academic skills from the previous school year.

Skills in the Summer Reader are presented in a weekly format. Each week has incentive charts, sticker rewards, and certificates that must be completed and returned on the first day of school to your child's new teacher.

I hope that you will encourage and work with your child to complete the weekly lessons.

Thank you for joining us in this important effort!

Sincerely,

Michelle Rooney
